Dear Doug:

Reference is made to your letter of June 11, 1956, requesting Contractor's agreement to indemnify the government against loss due to cashing Contractor's employees' personal checks at overseas bases. My apologies for the late reply.

Contractor authorizes the government to cash the checks of its employees at foreign bases to meet emergency situations in an amount not to exceed one hundred and fifty (\$150.00) dollars in any one calendar month, and agrees to indemnify the government against loss to the extent specified in the foregoing should any such checks not be honored by the employees bank.

Contractor will (1) upon notification by the government that a check has been dishonored by the employee's bank, forward its check to the government for the amount of the dishonored check, and (2) request the government to endorse the dishonored check over to Contractor and forward it to Contractor.

Yours very truly,

Hal
